

Managing Safely

Managing Safely is a course for managers and supervisors in any sector and any organisation. It's designed to give managers all they need to know to help them handle health and safety in their teams. The flexible new high impact programme covers all the main health and safety issues, and includes a session tackling the environment too. The course lasts for 24 hours in total. Managing Safely can be delivered over a full week or on single days or as an evening course and has eight modules:

- Introducing Managing Safely
- Assessing risks
- Controlling risks
- Understanding your responsibilities
- Identifying hazards
- Investigating accidents and incidents
- Measuring performance
- Protecting our environment

Certification

Delegates who successfully complete the written and practical assessments at the end of the course are awarded an IOSH certificate in Managing Safely.
